FOREWORD

(1) Labouring hard for 2 years, the English Syllabus Sub-Committee of the West Bengal Board of Secondary Education have steadily constructed the book for your use in the first year (Class VI of English in all recognised secondary schools of West Bengal. This has been done with the active and unstinted help and co-operation of the Institute of English, Calcutta, counselled by the British Council Division of the British High Commission in Calcutta. Teachers' Associations and the Testbook Review Committee scrutinized every page of the book and their recommendations have been incorporated.

(2) As you know, from January 1984 English will be introduced as the second language for the first time in Class VI. We have kept in mind the basic difficulty as well as the advantage of teaching a new language at the elementary level to students who are intellectually more mature than those of Class III.

(3) We consulted teachers at both the school and college levels, teacher-trainees and experts on material production and syllabus innovation at two workshops held in November 1981 conducted by experts from Britain and India.

(4) These workshops and their findings were reported in detail in the Parshad Varta (dt. May, 1982).

(5) The objectives of the syllabus and the first outline of the book were decided and laid down then modified and amended according to the useful comments received from teachers and teacher-trainees all over West Bengal.

(6) A programme for orientation of teachers is being planned to give them some guidance and explanation on how to handle the book before the end of the year. A teachers' manual has also been published for their benefit.

(7) We are still open to comments and suggestions from all concerned. Your advice and guidance will help us further when planning the textbook for Class VII. We welcome feedback from you all. Comments from parents and students themselves will also be valuable.

INTRODUCTION

A WORD TO THE STUDENTS FROM THE TEXT BOOK WRITERS

- (1) As soon as you turn the pages of this book you will see that it is different from any other English textbook used by the West Bengal Board of Secondary Education before.
- (2) Let us try to explain why it is different.
- (3) As you know, previously, children had to start learning English earlier than you. They were very young and had to depend on the teacher all the time. We feel that since you are older, you will learn English more eagerly and easily than your younger friends did and find the English lessons at school more enjoyable. In short, we are trying to make you enjoy your learning so that you can start using English as soon as possible.
- (4) For all this to succeed, we depend on you. Your teacher will always be there to help, but he/she cannot give a lot of time to each of you. You must, therefore, help yourselves.
- (5) You will notice that the First Lesson in the textbook is called Lesson 12. This is because 11 lessons will be done by your teacher working with you by word of mouth, so that you are ready to use the book when you come to lesson 12.
- (6) The oral lessons will be done thoroughly. You will then find that you can very easily read the first 6 lessons in the book, for they are just a revision of the eleven oral lessons.
- (7) The sooner you are able to read English, the more will the lessons seem like playing games. There are tasks, problems, riddles to be worked out, always using English, as much as possible, on your own. You may ask your teacher for the meanings of words you do not know and questions on grammar whenever necessary, but the effort and the interest in doing the tasks must be yours.
- (8) During the year, you must work through each one of the 50 lessons. Any incomplete task must be completed for homework. Towards the end there will be longer passages for reading aloud and silently and some revision exercises. Learning to write clearly and distinctly will also be an important objective.
- (9) Our aim has been to teach you with your help. You will find the tasks enjoyable, because they, quite unlike formal lessons, help you learn the language automatically as you go through the book. This will encourage you to do more tasks and so to learn more.
- (10) Do not consult any note book. It will not help you to learn.
- (11) Do all the tasks in pencil so that these can be erased after you have finished, leaving the textbook clean for use by your younger brothers and sisters.
- (12) Now, turn this page over to start and enjoy the first lesson in English. We are sure that by the end of Class Six you will be able to read, write and speak in simple, correct English. Imagine your pleasure when that happens and ours as well, surely no less than yours. We all want you to succeed. So let us try together — with Good Luck !

॥ মুখবন্ধ ॥

লেখকদের পক্ষ থেকে ছাত্রদের কাছে কয়েকটি কথা

- ১) এই বইটির পাতা উল্টোলেই তোমরা বুঝতে পারবে যে এর আগে পর্যন্ত যে-সব ইংরাজি বই পাঠ্য করেছে সেগুলির থেকে এটি সম্পূর্ণ অন্য ধরনের।
- ২) এই তফাত কেন, সেইটেই বুঝিয়ে বলা যাক।
- ৩) তোমরা জান যে, আগে ছেলেমেয়েরা তোমাদের থেকে কম বয়সে ইংরাজি শিখতে শুরু করত বলে তাদের সর্বদাই শিক্ষক-শিক্ষিকাদের উপর নির্ভর করতে হ'ত। তোমরা আগের আমলের ইংরাজি-শিখতে-শুরু-করা ছাত্র-ছাত্রীদের চেয়ে খানিকটা বড়ো হয়ে এই ভাষা শিখছ, তাই আমাদের বিশ্বাস যে, তাদের চেয়ে তোমরা বেশি সহজে এবং আগ্রহ নিয়ে পড়তে পারবে এবং স্কুলের ইংরাজি পড়ানো শুরু হবার পর থেকেই তোমাদের ভাল লাগবে। সংক্ষেপে বলতে গেলে - আমরা ইংরাজি শিক্ষাকে তোমাদের কাছে আরও আকর্ষণীয় করে তুলতে চেষ্টা করছি যাতে তোমরা যত তাড়াতাড়ি সম্ভব এই ভাষা নিজেরাই ব্যবহার করতে পার।
- ৪) আমাদের এই সব কিছু সাফল্য নির্ভর করছে তোমাদের ওপর। তোমাদের শিক্ষক - শিক্ষিকারা অবশ্যই সব সময়ে সাহায্য করবেন। তবু এও তো ঠিক যে তাঁরা তোমাদের প্রত্যেকের জন্যেই আলাদা আলাদা ভাবে অনেকখানি করে সময় দিয়ে উঠতে পারবেন না। কাজে-কাজেই তোমাদের আত্মনির্ভরশীল হতে হবে।
- ৫) তোমরা দেখবে যে, বইতে প্রথম যে পাঠটি দেওয়া আছে, সেটিকে বলা হয়েছে 'দ্বাদশ পাঠ'। এর কারণ প্রথম এগারোটি 'পাঠ' ক্লাসে তোমাদের মুখে মুখেই তৈরি করিয়ে দেওয়া হবে, ফলে দ্বাদশ পাঠ শুরু করার সময় তোমরা দেখবে, তোমরা এই বই পড়বার উপযুক্ত হয়ে উঠেছ।
- ৬) 'মৌখিক পাঠ' গুলি তোমাদের খুব সুন্দর কবে আয়ত্ত্ব করানো হবে, ফলে বইয়ের প্রথম ছ'টি 'পাঠ' তৈরি করতে তোমাদের কোনো অসুবিধে হবে না, কেন-না এগুলি মৌখিক এগারটি পাঠের পূর্বালোচনা।
- ৭) যত তাড়াতাড়ি তোমরা ইংরাজি পড়তে অভ্যাস করতে পারবে, ততই দেখবে যে বইয়ের 'পাঠ' গুলি যেন খেলাধুলোর মতো সহজ হয়ে উঠেছে। সেখানে আছে পড়া-বুঝে-নিয়ে জবাব দেওয়ার ব্যাপার, বিভিন্ন সমস্যা এবং ধাঁধার সমাধান করার বিষয়—যাদের সবটুকুই যতদূর সম্ভব ইংরাজি ভাষার মাধ্যমেই তোমাদের করতে হবে। অজানা শব্দের অর্থ শিক্ষক শিক্ষিকাদের কাছে জেনে নিতে পারো এবং প্রয়োজন হলে ইংরাজি ব্যাকরণের প্রশ্নগুলির উত্তরও জিজ্ঞেস করতে পারো কিন্তু কাজটি সমাধান করতে হবে তোমাদের নিজেদের আগ্রহ আর প্রচেষ্টায়।
- ৮) সারা বছর ধরে তোমরা পঞ্চাশটি 'পাঠ'ের প্রত্যেকটিই তৈরি করবে। স্কুলে যদি কোনোটার খানিক বাকি থেকে যায়, সেটা বাড়িতে শেষ করবে। বইয়ের শেষের দিকে বড়-বড় অনুচ্ছেদ দেওয়া আছে মনে-মনে পড়বার জন্যে আরও আছে পূর্বপাঠের ওপর কিছু অনুশীলনী। পরিচ্ছন্নভাবে এবং স্পষ্ট করে লিখতে পারাও প্রধান উদ্দেশ্যগুলির মধ্যে একটি বলে গন্য হবে।

- ৯) আমাদের উদ্দেশ্য হল তোমাদের সাহায্য নিয়েই তোমাদের পড়ানো। এই পাঠগুলি গতানুগতিক পাঠের থেকে সম্পূর্ণ অন্য ধরনের বলে তোমাদের এই শিক্ষার সঙ্গে সঙ্গে তোমরা আনন্দও পাবে। আবার বইটি পড়তে পড়তে তোমরা নিজে থেকেই ভাষাটা শিখে ফেলবে। এর ফলে তোমাদের বেশি কাজ করা ও শেখার উৎসাহ বাড়বে।
- ১০) কোনো ধরনের 'মানে বই' পোড়ো না, তাতে কিছুই শেখা হবে না তোমাদের।
- ১১) বইয়ে যা কিছু লিখবে সেগুলি পেন্সিল দিয়ে লিখবে। যাতে সব দাগ মুছে ফেলা যায়। তাহলে তোমরা ছোট ভাই বোনেরা বইটি ব্যবহার করতে পারবে।
- ১২) এখন বইয়ের 'প্রথম পাঠে' এস এবং আনন্দের সঙ্গে পড়। আমাদের দৃঢ় বিশ্বাস এই যে, ষষ্ঠ শ্রেণী পেরোবার আগেই তোমরা ইংরাজি পড়তে এবং শুদ্ধ ও সহজ সরলভাবে লিখতে-বলতে পারবে। তখন কী আনন্দ হবে ভাবো তো একবার! আমাদের আনন্দও তোমাদের থেকে কিছু কম হবে না কিন্তু! আমরা সবাই চাই তোমরা সফল হও। এসো, আমরা তাহলে একসঙ্গে সেই চেষ্টা উঠে পড়ে লেগে যাই, কেমন? তোমাদের সকলের শুভ কামনা করি।

प्रस्तावना

पाठ्य-पुस्तक के लेखकों की ओर से छात्रों के प्रति दो शब्द

१. प्रस्तुत पाठ्य-पुस्तक के पृष्ठों को पलटने पर तुम्हें प्रतीत होगा कि यह पुस्तक पश्चिमबङ्ग माध्यमिक शिक्षा बोर्ड द्वारा अंग्रेजी की पूर्व प्रकाशित पाठ्य-पुस्तकों से अलग-थलग है।

२. आओ, देखें, प्रस्तुत पाठ्य-पुस्तक पूर्व प्रकाशित पुस्तकों से अलग-थलग क्यों है।

३. जैसा कि तुम्हें विदित है, कुछ वर्ष पहले, बच्चे तुम्हारी अपेक्षा पहले ही अंग्रेजी सीखना प्रारम्भ करते थे। उस समय वे अति सुकुमार होते थे; अतः उन्हें सदैव शिक्षकों पर आश्रित रहना पड़ता था। तुम उन बच्चों से उम्र में बड़े हो। अतः तुम अधिक उत्सुकता एवं सरलता से अंग्रेजी सीखोगे, विशेष अभिरुचि के साथ अपने पाठ तैयार करोगे—ऐसी हमारी धारणा है। संक्षेप में, हम यह सत्प्रयास कर रहे हैं कि तुम्हें अंग्रेजी के पाठ सरल, सहज एवं रुचिकर प्रतीत हों, पठन में रुचि जागृत हो और तुम यथाशीघ्र अंग्रेजी शब्दों का प्रयोग करना आरम्भ कर सको।

४. यह सपना साकार करने के लिए, हम तुम पर आश्रित हैं। तुम्हारे शिक्षक, तुम्हारी भाषा का विकास करने में, तुम्हें सहयोग देने के लिए सदा उपस्थित रहेंगे परन्तु समयाभाव के कारण तुम सबों को अधिकाधिक समय प्रदान करने में असमर्थ भी तो रह सकते हैं। अतः तुम्हें स्वतः अपने हित के लिए सजग रहना है।

५. प्रस्तुत पाठ्य-पुस्तक के प्रथम पाठ को पाठ १२ की संज्ञा दी गई है। कारण, पाठ ११ तक तुम्हारे शिक्षक तुम्हें मौखिक अभ्यास करायेंगे ताकि पाठ १२ से तुम्हारी पुस्तक तुम्हारे लिए बोधगम्य हो जाय और तुम अग्रिम पाठ आसानी से समझ सको।

६. मौखिक पाठों के अभ्यास भलीभाँति कराये जायेंगे। इस प्रकार तुम प्रथम ६ पाठों को सुगमतापूर्वक पढ़ सकोगे। कारण, इन पाठों में, ११ मौखिक पाठों के आधार पर, परिचित वातावरण के प्रसंगों की पुनरावृत्ति मात्र है।

७. जितनी शीघ्रता से तुम अंग्रेजी पढ़ सकोगे, अग्रिम पाठ तुम्हारे लिए उतने ही सहज, सुगम तथा खेल जैसे प्रतीत होंगे। तुम्हें गृह-कार्य, कठिन प्रश्न, अभ्यासों, पहेलियों आदि का हल अंग्रेजी में, यथासंभव पने शब्दों में, करना होगा। जिन शब्दों के अर्थ एवं व्याकरण-संबंधी प्रश्न तुम्हारी, प्रयोजनीयतानुसार, तुम्हें ज्ञात नहीं हैं, तुम अपने शिक्षक की सहायता से जान सकते हो। परन्तु कार्य-सम्पादन में तुम्हें अग्रसर हो कर विशेष रुचि लेनी होगी।

८. तुम्हें सत्र के अंत तक प्रत्येक पचास पाठ का अभ्यास तो अवश्य ही करना है। इस अवधि में अगर कोई कार्य अपूर्ण है तो उसे गृह-कार्य द्वारा अवश्य पूरा कर लेना है। अन्त में सस्वर-पठन तथा मौन-पठन के लिए कुछ लम्बे अनुच्छेद तथा दुबारा जांच के लिए कुछ अभ्यास अवशेष रह जायेंगे। साथ ही हमारा अभीष्ट है—तुम्हें स्वच्छ एवं स्पष्ट लेखन-कला सिखाना।

९. तुम्हारे कोमल मन में तुम्हारी सहायता से ही पठन-पाठन के प्रति अभिरुचि उत्पन्न करना हमारा उद्देश्य है। भाषा-अध्ययन एवं व्याकरण-ज्ञान को ध्यान में रख कर प्रश्न-अभ्यास दिये गये हैं तथा उनके अन्त में पढ़ने, लिखने और प्रयोग करने के संबंध में विविध सुझाव भी दिये गये हैं। इन रुचिकर आनन्दप्रद कार्यों से तुम स्वतः शिक्षण के प्रति प्रोत्साहित होगे तथा अधिकाधिक सीखोगे।

१०. किसी कुंजी या नोट पर कभी निर्भर मत रहो। इससे भाषा-ज्ञान में कभी भी सहायता नहीं मिलती।

११. पाठ्य-पुस्तक में दिये गये अभ्यासों का उत्तर पेंसिल से लिखो ताकि तुम्हारी लिखावट आसानी से मिटायी जा सके और तुम्हारी उपयोगिता शेष होने पर तुम्हारे छोटे भाइयों और बहनों द्वारा भी इस पाठ्य-पुस्तक का उपयोग किया जा सके।

१२. अब अंग्रेजी के प्रथम पाठ का आनन्द लेने के लिए इस पृष्ठ को पलटो। इमें पूर्ण विश्वास है कि कक्षा ६ के अन्त तक तुम सरल और शुद्ध अंग्रेजी पढ़ने, लिखने और बोलने में सक्षम हो जाओगे। जब तुम्हारा प्रयास सार्थक होगा तो तुम्हारी खुशी की सीमा न रहेगी और तुम्हारे साथ हम भी फूले न सामायेंगे। एतदर्थ हमें समवेत हो कर सतत् प्रयास करना है। हम सब तुम्हारी सफलता के लिए प्रार्थना करते हैं। अशेष मंगल कामनाओं के साथ।

دیباچہ

درسی کتاب کے مصنفین کی طلبہ و طالبات سے چند باتیں

(۱) جوں آپ اس کتاب کی ورق گردانی شروع کریں گے آپ کو محسوس ہوگا کہ اس کے پہلے مغربی بنگال بورڈ آف سکندری ایجوکیشن نے جتنی درسی انگریزی کتابیں منظور کی تھیں، یہ کتاب اس سے بالکل مختلف ہے۔

(۲) ہم آپ کو بتانا چاہیں گے کیوں مختلف ہے؟

(۳) جیسا کہ آپ جانتے ہیں کہ پہلے بچے آپ کے مقابلے میں پہلے ہی سے انگریزی پڑھنا، سیکھنا شروع کر دیتے تھے۔ وہ سب کم سن ہوتے تھے اور انگریزی کی تسلیم حاصل کرنے کے لئے انھیں اساتذہ کی مدد کی ضرورت ہوتی تھی۔ ہم محسوس کرتے ہیں کہ آپ بڑے ہیں لہذا آپ چھوٹے دوستوں کی نسبت زیادہ آسانی اور ذوق و شوق کے ساتھ انگریزی سیکھنے کی کوشش کریں گے اور اسکولوں میں انگریزی کا سبق آپ کے لئے زیادہ مسرت کا سامان مہیا کرے گا۔

المختصر ہم آپ کے لئے سبق کو زیادہ دلچسپ اور مسرت بخش بنا رہے ہیں تاکہ آپ جلد سے جلد انگریزی محبان لیں۔

(۴) ہماری ان کوششوں کی کامیابی کا دار و مدار آپ پر ہے۔ آپ کے استاد آپ کی مدد کے لئے ہر وقت تیار ہوں گے مگر آپ کے استاد اور استانی آپ کو انگریزی سکھانے کے لئے زیادہ وقت نہیں دے سکیں گے لہذا آپ کو اپنی مدد آپ کرنا ہوگی۔

(۵) آپ نے یہ دیکھ لیا ہوگا کہ اس درسی کتاب کا پہلا سبق سبق ۱۲ ہے۔ ایسا اس لئے کہ ایک سے گیارہ اسباق تک آپ کے استاد زبانی آپ کو درس دیں گے اس سے آپ کو کتاب سے صحیح واقفیت ہو جائے گی اور بارہواں سبق پڑھنے میں زیادہ وقت نہیں محسوس ہوگی۔

(۷۱) زبانی تسلیم مکمل طور پر دی جائے گی۔ ۱۱ زبانی اسباق آپ کی اداسل کی مشکلات ختم کر دیں گے۔ اس طرح

آپ کتاب میں پہلے چھ اسباق آسانی سے پڑھ لیں گے کیونکہ یہ سب زبانی اسباق کی تکرار ہوں گے۔

(۷۲) جتنی جلدی آپ انگریزی پڑھنے اور سیکھنے میں کامیاب ہوں گے۔ سبق پڑھنے میں آپ کی دلچسپی اتنی زیادہ ہوگی

اور سبق آپ کو "کھیل" کی طرح معلوم ہوگا۔ آپ کا ٹاسک (کام) مسائل اور متعے اور پہیلیاں وغیرہ ہیں جن کو آپ

کو حل کرنا ہے۔ اس کے لئے جہاں تک ممکن ہو سکے آپ اپنی انگریزی کا استعمال کریں، جو الفاظ، قواعد سے متعلق

جو سوالات پیدا ہوں آپ اپنے استاد سے معنی پوچھ سکتے ہیں، بے چیدہ سوالات کو حل کرنے میں مدد لے

سکتے ہیں۔ کام کو پورا کرنے کی ذمہ داری آپ پر ہے۔ آپ دلچسپی لیں گے تو کام پورا ہوگا۔

(۷۳) سال میں آپ کو پچاس اسباق میں ہر سبق کو ٹھیک ٹھیک پڑھنا اور سیکھنا ہے۔ جو کام پورا نہ ہو وہ گھر پر پورا کر لیا

جائے۔ کتاب کے ابتدائی حصے میں بلند آواز اور خاموشی سے پڑھنے کے لئے طویل عبارتیں درج ہیں بعض مشق پر نظر ثانی کی

ضرورت ہوگی۔ صاف اور خوشخط لکھنا بھی آپ کا بنیادی مقصد ہونا چاہیے۔

(۷۴) ہمارا مقصد آپ کو خود آپ کے تعاون ہی سے سکھانا ہے۔ آپ کو اس کام سے سرور اور لذت و خوشی حاصل ہوگی کیونکہ یہ

عام آدمی اسباق سے مختلف ہونے کی وجہ سے آپ کو خود بخود زبان کو سیکھنے میں مدد دیں گے۔ اس سے زیادہ کام کرنے اور

زیادہ سیکھنے پڑھنے کا حوصلہ آپ کے اندر پیدا ہوگا۔

کسی "نوٹ بک" سے مدد نہ لیں۔ آپ کو اس سے پڑھنے اور سیکھنے میں کوئی مدد نہیں ملے گی۔

(۷۵) اپنے تمام ٹاسک پینل سے کریں جب آپ اسے ختم کر لیں گے تو اسے مٹانا آسان ہوگا۔ پینل کے حروف مٹ جانے

کے بعد آپ کی کتاب نئی اور صاف ستھری نظر آئے گی اور آپ کے چھوٹے بھائی بہنوں کی بھی یہ کام آئے گی۔

(۷۶) اب آپ ورق الٹیں اور انگریزی کا پہلا سبق شروع کریں اور مسرت حاصل کریں۔ ہمیں یقین ہے کہ درجہ ششم کی

تعلیم کی تشکیل پر آپ آسان اور صحیح انگریزی پڑھ، لکھ اور بول سکیں گے۔ اس خوشی اور مسرت کا تصور کیجئے جو

ہمیں اور آپ کو کامیابی کے بعد حاصل ہوگی۔ ہم سب چاہتے ہیں کہ کامیابی آپ کے قدم چومے۔ آئیے ہم سب

مل کر کوشش کریں۔ قادر مطلق ہمیں کامیابی عطا کرے۔

भूमिका

पाठ्य-पुस्तक लेखकहरूद्वारा विद्यार्थीहरूलाई केही सुझावहरू

१. यस पुस्तकको पाठा पढाउनसाथ तिमी देखने छौ कि पश्चिम बंगाल माध्यमिक शिक्षा पर्षदले अधि प्रचलनमा राखेको अंग्रेजी-पुस्तकहरू हेरी यो भिन्नै छ।

२. यो किन भिन्नै छ त्यस सम्बन्धी व्याख्या गर्न कोशिश गरौं।

३. अधि जस्तै तिमीहरूले जान्दछौ, बालक बालिकाहरूले भन्दा चाँडो अंग्रेजी शुरू गर्न परेथ्यो। तिनीहरू साह्रै साना साना थिए अनि शिक्षामा उनीहरू पूर्ण रूपले भर पर्नु पर्थ्यो। हामीलाई लाग्छ तिमीहरू केही उमेरदार छौ; तिमीहरूले अंग्रेजी उत्सुकतासाथ र सहजसाथ ती साना साना भाईहरूले भन्दा चाँडो अंग्रेजी सिकने छौ। अनि विद्यालयमा अंग्रेजी पाठहरू आनन्ददायक पाउनेछौ। संक्षेपमा, हामी तिमीहरूको शिक्षालाई आनन्ददायक बनाउन चाहन्छौ; जसमा अंग्रेजी तिमीहरूले चाँडै नै प्रयोग गर्न सक्ने छौ।

४. यस सफलताको निम्ति हामी तिमीहरूमाथि भर पर्छौ। शिक्षक तिमीहरूको सहायतार्थ सधैं हुनेछ तर शिक्षक वा शिक्षिकाले प्रत्येकलाई धेरै समय दिन सक्नेनन्; यसर्थ तिमीहरू आफैँ लगनशील हुनुपर्छ।

५. तिमीहरूले याद गर्नेछौ कि पाठ्य-पुस्तकमा पहिलो पाठलाई बाह्रौ पाठ भन्नेछौ। यो चाहि के हो भने एघाहौ पाठसम्म शिक्षकले तिमीहरूसित बोलेर पढाउनेछन् त्यसकारण तिमीहरू बाह्रौ पाठ्या पुस्तकलाई प्रयोगमा ल्याउनु हुनेछौ।

६. एक एक गरी मौखिक पाठहरू गरिनेछ। तब तिमीहरूले जान्नेछौ कि तिमीहरूले पहिलेको छ पाठहरू एकदम सहजसाथ पढ्न सक्नेछौ; तिनीहरू केवल एघाहौ मौखिक पाठहरू दोहो-याएको मात्र हुन्।

७. जति चाँडो तिमीहरू अंग्रेजी पढ्न सक्छौ; त्यति नै पाठहरू तिमीहरूले खेलहरू खेले भैं पाउनेछौ। अभ्यासको निम्ति कार्यहरू, समस्याहरू, मस्तिष्कलाई अभ्यासार्थ कामहरू राखिएको हुनेछ; प्रयोगको निम्ति सक्दो धेरै शब्दहरू आफ्नै पाउनेछौ। तिमीहरूले नजानेको शब्दको अर्थ शिक्षकसित सोध्न सक्नेछौ; साथै व्याकरण सम्बन्धी चाहिएका प्रश्नहरू पनि सोध्न सक्नेछौ तर अभ्यासहरू गर्दा आफ्नै प्रयास र आग्रह हुनुपर्छ।

८. बर्षमा, पचास पाठहरू प्रत्येक पाठ नै तिमीहरूले गरेको हुनुपर्छ। अन्तमा, स्वर-पठन र मौन-पठन गर्नलाई केही लामा लामा अनुच्छेदहरू राखिएको हुनेछ; साथै स्पष्ट र परिष्कारसाथ लेखनलाई एक मुख्य उद्देश्य पनि हुनेछ।

९. हाम्रो उद्देश्य तिमीहरूलाई तिमीहरू कै सहायता ले पढ्न सिकाउनु हो। तिमीहरूले कायहरू आनन्द-दायक पाउनेछौ; कारण तिनीहरू औपचारिक पाठहरूदेखि बेग्लै हुन्छन्, तिमीहरूले किताब पढ्दाखेरि भाषा-शिक्षण आफैँ आफैँ जान्नेछौ। यसले तिमीहरूलाई आफैँ धेरै काम गर्ने र जान्ने प्रेरणा हुनेछ।

१०. तिमीहरूले कुनै मानेको किताब हेर्ने छैनौ, यसबाट तिमीहरूले सिकन सक्ने छैनौ।

११. सबै काम शिक्षा-कलमले गर जसमा कि तिमीहरूले काम गरि सकेपछि भेटाउन सक, जो तिमीहरूका भाइ-बहिनीहरूले पनि त्यसलाई प्रयोग गर्न सकोस ।

१२. अब, यस पुस्तकको पहिलो पाठ पढ्नको निम्ति पाता पस्टाऊ । हामी निश्चित छौं छैंटौं श्रेणीको अन्ततिर तिमीहरूले पढ्न, लेख्न र सरल र शुद्ध रूपमा अंग्रेजी बोल्न सक्नेछौ । तिमीहरूले पढ्दा पाएको आनन्दको अन्दाज गर; साथै हाम्रो पनि, त्यो आनन्द तिमीहरूको भन्दा निश्चय नै कम हुनेछैन । तिमीहरू सबै सफल होस् भन्ने कामना गर्दछौ । यसर्थ हामी सौभाग्यमानी भएर एकसाथ प्रयास गरौ ।

୫ । ଭ୍ରମମାନେ ଜାଣିବ ଯେ ପାଠ୍ୟପୁସ୍ତକର ଦ୍ୱାଦଶ ଅଧ୍ୟାୟଟି ହେଉଛି ଭ୍ରମମାନଙ୍କ ପାଇଁ ପ୍ରଥମ ଅଧ୍ୟାୟ । ଏହାର କାରଣ ହେଉଛି ଯେ ୧୧ଟି ଅଧ୍ୟାୟ ଭ୍ରମମାନେ ମୁହେଁ ମୁହେଁ ଭ୍ରମମାନଙ୍କ ଶିକ୍ଷକଙ୍କ ସହାୟତାରେ ପଢ଼ିବ । ଏହା ଫଳରେ ଦ୍ୱାଦଶ ଅଧ୍ୟାୟ ପାଠରେ ପଢ଼ିଥିଲା ବେଳକୁ ଭ୍ରମମାନେ କହିଟିକୁ ପଢ଼ିବାକୁ ସକ୍ଷମ ହୋଇ ପାରିବ ।

୬ । ଭ୍ରମମାନେ ଦେଖିବ, ମୌଖିକ ପଢ଼ା ଭଲ ଭାବରେ ହୋଇଥିଲେ କହିର ପ୍ରଥମ ୭ଟି ଅଧ୍ୟାୟ ଖୁବ୍ ସହଜରେ ପଢ଼ି ପାରିବ । ଏକ ୭ଟି ଅଧ୍ୟାୟ ୧୧ଟି ମୌଖିକ ଅଧ୍ୟାୟର ଦ୍ୱିତୀୟ ପଢ଼ା ଛଡ଼ା ଆଉ କିଛି ନୁହେଁ ।

୭ । ଭ୍ରମମାନେ ଯେତେ ଚଷମ ଇଂରାଜୀ ପଢ଼ି ପାରିବ ଭ୍ରମମାନଙ୍କୁ ଏ ପାଠ ସେତେ ଖେଳ ଖେଳିବା ଭଳି ମନେ ହେବ । ଭ୍ରମମାନେ ଯେତେଦୂର ସମ୍ଭବ, ନିଜେ ନିଜେ ଇଂରାଜୀ ଶବ୍ଦ ବ୍ୟବହାର କରି ଜଟିଳ ଓ ଦୁର୍ଲ୍ଲଭ ମନେ ପ୍ରଶ୍ନୋତ୍ତର ସମାଧାନ କରିବ । ଭ୍ରମମାନେ ଜାଣି ନଥିବା ଶବ୍ଦର ଅର୍ଥ ବୁଝିବାକୁ ଶିକ୍ଷକଙ୍କ ସାହାଯ୍ୟ ନେବ ଏବଂ ପ୍ରଶ୍ନୋତ୍ତରବୋଧରେ ତାଙ୍କୁ ବ୍ୟାକରଣ ପ୍ରଶ୍ନ ମଧ୍ୟ ପଚାରିବ । କିନ୍ତୁ ଏଥିପାଇଁ ମୁଖ୍ୟତଃ ଭ୍ରମମାନଙ୍କର ଉଦ୍ୟମ ଓ ଉତ୍ସାହ ରହିବା ଦରକାର ।

୮ । ବର୍ଷକ ମଧ୍ୟରେ ୫୦ଟି ଅଧ୍ୟାୟର ପାଠ ଭ୍ରମମାନଙ୍କୁ ଗୋଟି ଗୋଟି କରି ଶେଷ କରିବାକୁ ହେବ । କୌଣସି ପଢ଼ା ବାକି ରହିଲେ ଘରେ ତାକୁ ଅବଶ୍ୟ ଶେଷ କରିବାକୁ ହେବ । କହିର ଶେଷ ଅଂଶ କେତେକ ବଡ଼ ବଡ଼ ଅଂଶ ଭ୍ରମମାନଙ୍କୁ ପାଠ କରି ଓ ପାଠି ନକରି ପଢ଼ିବାକୁ ଉପଯୋଗ ଏବଂ ପୁଣି କେତେକ ଅନୁଶୀଳନ କାର୍ଯ୍ୟ ମଧ୍ୟ ଉପଯୋଗ । ଏହାଛଡ଼ା ସ୍ମୃତି ଓ ପରୀକ୍ଷାର ଭାବରେ ଲେଖି ଶିଖିବା ମଧ୍ୟ ଭ୍ରମମାନଙ୍କର ମୁଖ୍ୟ ଉଦ୍ଦେଶ୍ୟ ହେବା ଉଚିତ ।

୧ । ଅମର ଲକ୍ଷ୍ମୀ ହେଉଛନ୍ତି ତୁମ୍ଭି ସାହାଯ୍ୟରେ ତୁମକୁ ପଢ଼ାଇବା । ପଢ଼ିବାକୁ ତୁମେମାନେ ଅନନ୍ଦ ପାଇବ ।
କାରଣ ଏହା ଗଢ଼ାକୁଗଢ଼ନ ପାଠ ନହୋଇ ଥିବାରୁ ବହୁ ଭିତରେ ପ୍ରବେଶ କରିଲେ ତୁମେମାନେ ଆପେ ଆପେ ଇଂରାଜୀ
ଶିଖି ପାରିବ । ତୁମେମାନେ ଅଧିକ ପଢ଼ା କାମ କରିବାକୁ ଆଗ୍ରହ ହେବ । ଫଳରେ ତୁମେମାନେ ଅଧିକ ଇଂରାଜୀ ଜ୍ଞାନ
ଆହରଣ କରିବାକୁ ସକ୍ଷମ ହେବ ।

୧୦ । କୌଣସି ଜୋର ବହୁର ସାହାଯ୍ୟ ନେବ ନାହିଁ । ଜ୍ଞାନ ଅର୍ଜନ କ୍ଷେତ୍ରରେ ଏହା ତୁମମାନଙ୍କର ସହାୟକ
ହେବ ନାହିଁ ।

୧୧ । ସବୁ ପଢ଼ା କାମ ତୁମେମାନେ ପେମ୍ବନସିଲରେ କରିବ । କାରଣ ତୁମମାନଙ୍କ ପଢ଼ା ଶେଷ ହେଲେ ତାକୁ
ଲିପିର ଦେଇ ହେବ । ଏହାଦ୍ୱାରା ପଢ଼ା ବହୁଟି ପରିଷ୍କାର ରହିବ ଓ ପରେ ତୁମମାନଙ୍କ ଗର ବରଣୀମାନେ ଏହାକୁ
ବ୍ୟବହାର କରିପାରିବେ ।

୧୨ । ବର୍ତ୍ତମାନ ପ୍ରଥମ ଆକ୍ଷାୟିକ ପଢ଼ି ଅନନ୍ଦ ପାଇବାକୁ ବହୁର ପ୍ରସ୍ତୁତି ଖୋଲ । ଅମର ଦୁଇ ବିଶ୍ୱାସ
କ୍ଷେତ୍ର ଶୁଣି ଶୁଣି ଶେଷ ହେଲା ବେଳକୁ ତୁମେମାନେ ସହକରେ ଓ ଠିକ୍ ସ୍ଥାନରେ ଇଂରାଜୀ ପଢ଼ି ପାରିବ, ଲେଖି ପାରିବ ଓ
ଓ କହୁ ପାରିବ । ଶୁଦ୍ଧ, ଏହା କେତେ ମଜାର କଥା ! ଏ ଅନନ୍ଦ କେବଳ ତୁମର ନୁହେଁ, ଅମର ମଧ୍ୟ । ଆମେ ସମସ୍ତେ
ତୁମମାନଙ୍କର ସଫଳତା କାମନା କରୁଛୁ । ତେଣୁ ଆମ୍ଭ ଆମେମାନେ ଏକାଠି ମିଶି ଉଦ୍ୟମ କରିବା । ଇଶ୍ୱର ମଙ୍ଗଳ କରନ୍ତୁ ।

Where ?

1. Learn the meanings of the underlined words first and then read the lesson silently.

That is Sm. Usha Das. She is a professor in a girls' college. This is her flat. There is only one room and a bathroom. She lives alone. Her parents live in the village. She has no brother or sister. She goes to her parents during the holidays.

Look at the little boy. His name is Tooblu. He lives in a house nearby. He has no sister or brother. He comes to Sm. Das every morning and evening. She loves him very much. She tells him stories and he helps her to cook her food and clean the big room. Sm. Das is a friendly person and is a good teacher, but she is very forgetful.

She loses her bunch of keys everyday. Little Tooblu helps her to find it.

Today the keys are not behind that picture. Where is the bunch of keys then ? Tooblu makes many guesses and finds the keys at last.

Read that is as that's ; she is as she's and where is as where's

2. Where are the keys ? Make guesses. The teacher knows the right answer. Use some of the prepositions. Begin like this :

Carrying out instructions/Giving instructions

- I. AB is a horizontal line. EF and CD are vertical lines. AB is 3 centimetres long. Measure CD. How many centimetres is CD ? Write the measurement to the right of CD.

Measure EF. How many centimetres is EF. Write the measurement to the left of EF.

- II. Now follow these instructions and draw the figure in your exercise book.
100 millimetres (mm) = 1 centimetre (cm) 100 centimetres = 1 metre (m)
1000 metres = 1 kilometre (km)

Draw a vertical line.
Make it two cm. long.
Call the middle point O.

Write A at the top of this line.

Write B at the bottom of this line.

Draw a horizontal line across AB.

Let it cut AB at O.

Join A and B to the left end of the horizontal line.

Join A and B to the right end of the horizontal line.

From B draw another vertical line. Make it two cm. long. Draw a circle at the end of this line.

Show your drawing to your teacher.

The Moon

Oh, look at the moon!
She is shining up there;
Oh, mother, she looks
like a lamp in the air.

Last week she was smaller,
And shaped like a bow,
But now she's grown bigger,
And is round as an O.

Rain

The rain is raining all around,
It falls on field and tree,
It rains on the umbrellas here,
And on the ships at sea.

Waiting

We're waiting at the bus stop,
We're getting on a bus,
We're sitting behind the driver,
The driver's in front of us.

We're getting off the bus now,
We're walking in the rain,
We're going to the station,
We're getting on a train.

The train is in the station,
Our journey is at an end,
We're getting off the train now,
We're looking for our friend.

She's waiting on the platform,
She's standing under a clock,
She's holding a black umbrella,
And wearing a yellow frock.

Cats Sleep Anywhere

Cats sleep
Anywhere,
Any table,
Any Chair,
Top of piano,
Window ledge,
In the middle,
On the edge,
Open drawer,
Empty shoe,
Anybody's
Lap will do.

Filled in a
cardboard box
in the cupboard
with your frocks —
Anywhere !
They don't care !
Cats sleep
Anywhere

Teacher's Manual

A WORD TO THE TEACHERS FROM THE TEXTBOOK WRITERS

A NEW APPROACH

This new approach used to present the English language is very different from any attempted in the past. This needs explanation. As fellow-teachers, some of us have been worried about the fact that English is now going to be introduced at a later stage in a child's school-life than hitherto. We have wondered how the same standard is to be reached at the Madhyamik level if the time available for teaching is shortened by as much as three years. But then, the cognitive maturity of the learners has been an advantage. We have tried to write this book keeping the above fact in mind — the fact that older children will need more intellectual stimulation to do the same basic routine learning than their younger friends do.

THE TEXTBOOK

As you look at the pages of the textbook you will find that it is more like a collection of tasks, puzzles and games rather than a conventional series of grammar and structure lessons. You will note, too, that there is more freedom of presentation and language usage than previously. For you, the task should be easier because the constant need to refer to a particular list of structures and phrases for each lesson is no longer there. You will find yourself enjoying this freedom and automatically passing on this sense of enjoyment to the students as well.

Not to depart too much from the familiar old syllabus, we have retained it, but grouped the separate items according to their natural co-occurrence in usage. Thus, verbs, phrases and structures, likely to occur most often together since they depict or express certain actions/notions etc., have been kept together.

You are free to use other phrases/structures as you like, but must ensure that the particular ones, which are the target for that lesson, are used frequently during presentation.

Further try to be as natural as a possible, for naturalness of presentation is catching. For example, keep the old structural item "What's this It's a", but present it in a new way naturally. This is, instead of showing a well-known article like a pencil and making teenage children ask the bookish way for its name, why not put the pencil in a paperbag and make a guessing/feeling game out of it? So that, as in real life, a person would naturally have to ask "What's this : when feeling an object through a paper covering and have to say "It's a pencil" when he finally catches a glimpse of it.

The philosophy behind our decision to use this new approach is that enjoyment is as much essential to learning as a sense in the learner that success depends more on him/her than on the teacher. That the teacher depends on the students to make the lesson successful is a realisation that will please them most. We should like to capitalise on this. The tasks are child-oriented; you are there as a guide rather than as a constant performer.

THE PREPARATORY LESSONS

You will also notice that the first lesson on textbook is called Lesson 12. This is because the first eleven lessons are meant to be covered by you orally. Please ensure that all preparatory oral lessons are done thoroughly before introducing the text. These lessons have been included in this manual. The main objective of these lessons is to give the learners an opportunity to listen to the language and also to speak it a little before the textbook is taken up with them.

Through these units the students learn to comprehend directions first given by the teacher and then by their classmates, as well as to carry them out.

Through these units the students are also introduced to the letters of the alphabet, both capital and small, and also helped to read three-or four-letter words. So, when the students actually take up the textbook after these eleven lessons, they should have no difficulty in reading on their own the first four lessons.

These lessons also introduce structural and grammatical elements in the process of doing.

Each of these lessons has a task for individual students and through these it will be possible for the teacher to assess the intake of every learner. The imaginative teacher, of course, has the right to change things, provided the aims of the lessons are kept in mind.

THE LESSONS IN THE TEXTBOOK

The first six lessons

After the preparatory lessons, the students move on to handle the textbook itself. The following points should be kept in mind at this time.

These lessons are reading lessons and there is no intention to teach anything else.

The directions given in each unit of a lesson in the textbook will be understood by the students because they will have carried them out for more than two weeks by this time. But they may not be able to read all the directions. So the teacher should read the directions where necessary without translating them, for translation will defeat the very objective of the lessons, that is, the development of the ability to comprehend directions. If, however, understanding these directions still appears doubtful, students may be asked to translate or say what they are directed to do. There will always be some good students who can do this.

The puzzle should interest the students and they should be done by them independently like the initial reading units. Help may be given only when necessary. Words like 'across' or 'down' or 'now' should not confuse them because they have already heard and used them.

Supervision of work is extremely essential. The teacher will have to be on his toes checking the reading of individual students, especially the weaker ones.

If time does not permit, the handwriting unit could be done at home. They should be told to follow the directions (arrows) given in the letters themselves. Note that the students learn to write in the proper manner when they are introduced to the textbook. Good handwriting should be encouraged at this stage.

The meanings of words may be given in the vernacular only when the students fail. Pictures and actions may also be helpful.

The fifth and the sixth lessons in the textbook enable the students to read more directions (imperative sentences). They ought to do it fairly easily, for they have already heard and spoken these sentences in the preparatory lessons. The teacher should correct their pronunciation and stress. (This entails correct pronunciation on the part of the teacher.) The exercises after the reading unit should be done by the students on their own. The teacher may read out the instructions to them, if necessary, and ask them to translate.

THE OTHER LESSONS

In all there are 50 lessons, including the preparatory and the revision lessons. All 50 lessons must be covered during the academic year. Any incomplete task should be given for completion as homework. A few of these lessons may have to be completed in two periods. It has been calculated that a maximum of 75 periods may be necessary to complete the textbook. With a minimum of 100 periods a year there is no reason why these lessons cannot be completed if the learners are encouraged to work on their own gradually, after they have been taught to read well first. There will still be ample time left for more revision work of the type given in the last lesson.

USE OF THE MOTHER TONGUE AND GRAMMAR

Feel free to use the mother tongue as and when necessary but please minimise the necessity. Meanings of new words may be given in the mother tongue in every new lesson. There is a basic grammar section for ready reference and practice in this manual. You will notice that the grammar and sentence patterns included in this section relate to the language presented for acquisition of the learners in these fifty lessons. It will always be advisable to help the learners to learn to use the language first and then present the grammar where necessary.

READING AND WRITING

Reading aloud in the initial stages, when they are beginning to learn to read, particularly dialogues, will be necessary, but gradually the focus should be on silent reading. Before the learners are directed to read silently, the meanings of new words in the lessons should be given. Longer passages for reading are to be found towards the end. Learners should be able to answer all the questions that follow. Avoid answering questions for them. We want them to read and understand what they read.

Clear, correct and distinct writing should also be encouraged from the beginning. There are tasks for individuals and groups (or pairs) in every lesson and it is imperative that they are done by the learners themselves with minimum help from the teacher and corrected everyday.

Note : There are many exercises in the text where the students will be required to write. Please see that they write in pencil and erase after correction so that these books may be used by their brothers and sisters later. Students should be taught to correct exercises on their own as far as practicable. Extra exercises may be framed for advanced learners whenever necessary. However, the main objective to achieve by the end of Class VI is fluent, spontaneous communication in English. Accuracy will gradually follow. Psychologically, the effect will be great if the learners find themselves capable of using English when necessary at the end of Class VI.

EXAMINATION

We should like to assure you that along with the syllabus, the new text and the new methodology, the examination pattern will also change. Obviously the old patterns cannot fit the new methods. You have been given sample questions and answers in this manual to enable you to prepare the children.

CONCLUSION

Analysed in detail you will find that the main thrust of the new approach is in doing away with the boredom which comes from mere mechanical Note-learning. Enjoyment and the sense of achievement that comes from solving problems are the two elements which ought to play the most important part in this new approach. This has been tried out in several schools and has proved successful.

We want our children to succeed in using English as soon as possible and learn enough to enable them to acquire a working knowledge of the language. Encourage the children to help you to help them. You will be amazed at what the resultant bridging of the gap between the generations and the two sides of the desk will do in terms of your daily relationship with them.

Remember, in order to achieve an informal, communicative approach in your teaching, your confidence in your own use of English must be strengthened. Keep a copy of the Advanced Learner's Dictionary of Current English with you or in your school library. It will correct your written and spoken usage if you need a reference. It is not possible to be wholly natural/correct when using an alien tongue; but accuracy of structure is possible with constant watchful practice and as for pronunciation, intelligibility within your usual professional/social circles should be adequate. The following guidelines may be helpful in improving your pronunciation.

POEMS AND RHYMES

There are a few rhymes and poems. Students ought to comprehend these by themselves at a later stage. They should be helped to read them properly so that they get an idea of the stress and rhythm of verses.

PRONUNCIATION AND STRESS

Word stress : Pupils should be made to stress words properly from the very beginning. They should know which syllable in a word is stressed. Sometimes more than one syllable is stressed. The best guidance for this is to be found in a good dictionary.

Example : before; second; headmaster

SENTENCE STRESS

Not all words in a sentence are stressed in English. Normally pupils tend to stress every syllable of a word and all the words in a sentence. As a broad and general rule, it should be kept in mind that structural words are not normally stressed except to convey certain attitudes and meanings.

Example : 'This is a pen. 'Where are your books ?

I am looking at the picture. 'What are you looking at ?

At this stage, when a sentence is spoken, the two basic tunes should be practised : the falling tune and the rising tune. In the falling tune, the voice falls on the last stressed syllable. The voice rises on the last stressed syllable in the rising tune.

'Mita is my sister. 'Didn't she know ?

'Who is your brother ? Is this my pen ?

The falling tune is used in statements and in questions beginning with a question word like what, when, how and so on. The rising tune is used in questions that can be answered by yes or no, in perfunctory statements and in friendly or reassuring statements.

SOUNDS

There are 12 vowels, 8 diphthongs and 24 consonant sounds in English, whereas there are only 26 letters to represent them. Some of the following may be wrongly pronounced if care is not taken from the beginning, since a letter may represent more than one sound and the same sound may be represented by more than one letter.

- (i) the vowel in bed, head and the diphthong in gate and mate.
- (ii) the two different vowel sounds in fit and feet.
- (iii) the two different vowel sounds in cot and caught.
- (iv) the two different vowel sounds in fool and full.
- (v) the vowel sound in bird and heard is very difficult for Bengalee speakers of English.
- (iv) the two different vowel sounds in but and away; the initial vowel sound in away has the highest frequency of occurrence in English and occurs only in unstressed syllables.
- (vii) the diphthongs in dear, chair and poor.
- (viii) the initial consonant sounds in year, war, flower, voice and zoo and the medial sound in measure are difficult sounds for Indian speakers of English.
- (ix) the initial consonant sounds in shame and same are difficult for some speakers.

The Advanced Learner's Dictionary of Current English (O.U.P.) is a good guide book in this area.

Constant oral practice, frequent correction of essential items and an encouraging and positive attitude on the part of the teacher mean a great deal to the student. Remember, it is often useful to check whether a pupil can at least hear the difference between the correct and the incorrect pronunciations; only then can he/she produce. There are many possible and enjoyable ways of checking listening comprehension.

Drills and Tests in English Sounds by LA Hill is useful in dealing with this problem.

Lessons

These preparatory lessons (11) must be done orally before the students start reading from their textbook. These eleven lessons may be split up into more lessons if necessary.

Introductory Lesson — 1

Carrying Out Directions

AIM : Listening Comprehension — Students to respond to requests made by the teacher or directions given by him/her.

Language : VERBS to be introduced : stand up, look, sit down, put, take, go, come, write, draw, open, shut.

ARTICLES to be introduced : a, the.

PREPOSITIONS to be introduced : above, below, on, at, to, of.

RECOGNITION OF LETTERS : a, b, d, o, g, y.

NOTE : The teacher may convey to students in the vernacular what he/she intends to do. (Meanings of Verbs may be given at this stage) Students must make an effort to understand. Mother tongue should not be used after the introduction. Gestures may be used to get across meaning whenever necessary. The teacher must create a natural situation and make requests politely and not command the students. Tell the students to be alert. Anyone may be called upon to do something.

There will be slow response at first, but gradually the teacher must encourage the students to respond more quickly. Names of students or groups should be added where necessary.

PRESENTATION : to class, groups and then individually.

1. Stand up, please.
2. Sit down, please.
Put your bag down.
Take out your pencil.
Put it on your desk.
Take out your exercise book.
Put it on your desk

(indicate with gesture
where necessary.)

3. (i) Come here, Sunil.

Take this piece of chalk (teacher to give it to the student).

Now draw a line.

To Class : What's this ?

Students : A line.

Now write 1 (one) below the line (the teacher to indicate 'below' with hands or in any other way if a student fails to comprehend).

Thank you. Go back to your seat.

To Class : What's below the line, boys/girls ?

(ii) Come here, Soma.

Write 'a' at the beginning of the line.

Now write 'b' at the end of the line.

(Show letters 'a' 'b' if not known. Indicate 'beginning' and 'end', if necessary.)

Thank you. Go back to your seat.

To Class : What's at the beginning of the line, boys/girls ?

What's at the end of the line ?

(iii) Come here, Anil.

Take a piece of chalk.

Now draw a line above line 1 (Indicate 'above' with gesture).

Write 2 (two) below this line.

Thank you. Go back to your seat.

To Class : What's below this Line ?

(iv) Come here, Bula.

Take a piece of chalk.

Write 'd' at the beginning of the line.

Now write 'o' at the end of the line.

(Show letters, if necessary)

Thank you. Go back to your seat.

To Class : What's at the beginning of line 2 ?

What's at the end of the line ?

(v) Come here, Tarun.

Take a piece of chalk.

Draw a line above line 2 (indicate 'above' with gesture).

Write 3 (three) below the line.

Write 'g' at the beginning of the line.

Write 'y' at the end of the line.

(Show letters, if necessary)

3

To Class : What's at the beginning of line 3 ?

What's at the end of the line ?

What's below line 2 ?

What's above line 2 ?

What's below line 3 ?

What's above line 1 ?

APPLICATION or TASK (to be done individually).

Open at page 1 of your exercise book (show, if necessary).

Take your pencil.

Draw a line.

Write 4 (four) below the line.

Write 'd' at the beginning of the line.

Write 'o' at the end of the line.

Now, draw a line above line 4.

Write 5 (five) below the line.

Write 'g' at the beginning of the line.

Write 'y' at the end of the line.

Now, draw a line below line 4.

Write 3 below the line.

Write 'a' at the beginning of the line.

Write 'b' at the end of the line.

Look at the blackboard. Correct.

(The teacher to go round and check quickly.)

Now, shut your book. Put your pencil on your desk.

Sit straight. Thank you.

(Verbs used : stand up, sit down, put, take, come, go, draw, write, look, open shut, correct.

Others : above, below, beginning, end.

Question : 'What' question.)

Introductory Lesson — 2

Carrying out directions

AIM : Carrying out directions learnt in Lesson 1 with the following Verbs :
Stand up, sit down, put, take, come; write, draw, go, open, shut, look.

LANGUAGE : New Verbs : touch, feel.

Prepositions : to, on, of, at.

Others : top, bottom (beginning, end)

Articles : a, an, the.

Recognitions of letters e, c, u, p, r, s.

Note : Please refer to note given in Lesson 1. Avoid using the mother tongue after the introduction. Students respond to requests as before. After the introduction and preparation a testing stage must follow (as in Lesson 1).

PRESENTATION : To class, different groups and then individuals.

- | | |
|------------------------------|-----------------------------------|
| 1. Sit down, please. | Put your right hand on your head. |
| Put your bag down. | Put your left hand on your head. |
| Take out your pencil. | Put them down. |
| Put it on your desk. | Open your eyes. |
| Take out your exercise book. | Shut your eyes. |
| Put it on your desk. | Touch your book/bag/desk etc. |
| | Feel your pulse/forehead. |

2. Look at this figures on the blackboard (point)..
Look at these letters : e, c, u, p, r, s (name them if the students can't).

Note to teacher :

- (i) The diagram should be on the blackboard if the teacher cannot draw quickly.
- (ii) The lines should be numbered.
- (iii) The letters are to be inserted by the students later during the lesson.
- (iv) An easier diagram may be used.

Come here, Lina. (individuals to be called to the blackboard and asked to carry out directions)

Look at the figure. Look at lines 1, 2, 3 etc.

Now write 'e' at the beginning of line 5.

Write 'c' at the end of line 5.

Write 'p' at the top of line 11.

Write 'u' at the bottom of line 11.

Write 's' at the top of line 12.

Write 'r' at the bottom of line 12.

(Ask to insert 'a' and 'b'. Use 'beginning' and 'end'.)

3. Now ask questions :

What is at the beginning of line 1.

What is at the end of line 1.

What is at the top of line 10 ?

What is at the bottom of line 10 ?

(Go on asking groups or rows and then individuals.)

TASK : (to be done individually)

1. Students should be given a similar diagram (big) — perhaps with a square shape (carbon copies possible).

- (i) Ask the students to insert these letters — e, c, u, p, r, s, a, b on the diagram.
The teacher should repeat 'beginning', 'end', 'top', 'bottom', at etc. (as was done in the preparation unit (2), but the order of letters should be different.)
- (ii) Ask questions as in 3. Students must write down the answers — the letters.
- (iii) Students correct with the teacher (Use verbs 'look' and 'correct'.)
(The teacher must keep a written record of the directions and questions to be able to check quickly at the end.)

Introductory Lesson — 3

Performing more simple actions.

AIM : Performing simple actions — real and imaginary.
(mimic actions)

LANGUAGE : New Verbs : Clean, hold, wipe, comb, brush, bend.

Structure : Verb + Object, Unique 'the', Preposition 'in'.

Letter recognition : t, h, l, j, m, n, i.

Revision : Items done in Lessons 1 and 2.

Note : Inform learners about the day's lesson. Introduce the verbs in their mother tongue. Tell them to respond to the direction given by you and also inform them that they must pretend to perform certain simple actions (mimic actions) e.g. Combing hair.

PRESENTATION

1. To class, different groups and individuals:
Stand up, please.
Hold your head up.
Stand straight.
Hold your hands up.
Bend down.

Touch your knees (show knees)

Stand up. Sit down

Thank you.

2. Come here, Ratan.

Clean the blackboard.

Write the date (show how to write).

Draw seven circles (show circles, if necessary).

Put them in a line.

Thank you. Go back.

(The teacher puts the letters — t, h, i, j, m, n, l inside the circles :

Go there, Ruma. (The teacher must stand at the back of the class and point to the blackboard and say)

Go to the blackboard.

Show me 'm'.

Show me 'l' (the teacher to indicate if no one can show)

(Other students to be called up and asked to 'show' or 'point to' other letters until they can recognise all.)

Clean the blackboard, Kunal.

Thank you.

3. Do what I tell you to do (may be said in the vernacular).

To class, groups and then to individuals.

(i) Hold your pen(s) up.

Put it (them) down.

Hold your right hand(s) up (show 'right').

Put it (them) down.

Hold your left hand(s) up (show 'left').

Put it (them) down.

(ii) Brush your teeth (show 'teeth', indicate 'brushing' if necessary)

Comb your hair (indicate, if necessary).

Bend down. Put on your shoes. Stand up. Sit down.

Sit up.

Wipe your face (show 'wipe' and 'face' if necessary).

Wipe your hands.

Wipe your legs.

TASK : (to be done individually)

Take out your exercise book.

Put it on the desk.

Take out your pen.

Put it on the desk.

Open your exercise book.

Write the date.

Draw seven circles (show a circle)

Note if students are able to carry out directions.

The teacher also draws seven circles again on the blackboard and puts in the letters and numbers them like this

(Students number the circles, but don't write the letters.)

Put numbers under the circles

now write 'm' in circle one.

Write 'l' " " seven.

" 'h' " " six.

" 'n' " " two

Put 'j' " " three.

" 'j' " " three.

" 'i' " " four.

" 't' " " five.

Students carry out directions. Note the different order.

Now correct from the blackboard

Diagram showing seven circles arranged horizontally, each containing a letter. Below each circle is a number from 1 to 7. The letters are: m, n, j, i, t, h, l.

Introductory Lessons 4 and 5

Performing simple actions and giving directions.

AIM : (i) Listening Comprehension — Students to respond to requests made by teacher or directions given by him/her.

(ii) Students to respond to requests made by their classmates.

LANGUAGE : (i) Revision of Verbs done + bring, walk, look out, read, show, point.

(ii) Article : The use of 'the' introduced in the last Lesson — used before words like blackboard, ceiling etc (before nouns of which there is only one in that room), before words like 'sun' 'moon' and before Ordinals — the first, the second etc.

(iii) Recognition of the letters — f, w, v, x, q, z, k.

Note : The teacher can give meanings of new words introduced and the use of the in the mother tongue.

PRESENTATION :

1. Sit down, please.

Bina, show me the ceiling, please.

Rana, show me the floor, please.

Mita, show me the door, please.

Show ceiling, floor,
door, (if there is only
one, otherwise not).

2. Come here, Sudip. Clean the blackboard. Take a piece of chalk. Now draw the moon on the blackboard. Good.

Thank you. Go back to your seat.

Lila, walk to that window, please.

Look out of the window, please. Can you see the sun ?

Point to the sun (if the sun is there). Thank you Go back to your seat (repeat only if the sun is there).

3. Look at the picture on the blackboard. (The teacher to draw, or have a big picture)

4. To class (to call up individual students)

What is this ? A room — a class room. Rita, come here. Bring a ruler. Look at the picture. Point to the blackboard. Show us the (teacher's) table. Show us a desk (indicate 'us'). Show us another desk. Show us a window. Show us another window. Point to the teacher. Point to the map. Point to the door. Show us a wall. Show us another wall. Show us the ceiling. Point to the floor. Point to the teacher's chair. Point to the teacher's table. Read the letters on the blackboard (ask one by one). Read the first letter. Read the second etc. (introduce third, fourth, fifth, sixth, seventh. Help the learners to read the letters.)

TASK (this unit may be treated as the fifth lesson) :

1. Take out your exercise book. Open your book. Write the date.

Draw seven circles. O O O O O O O

Put them in a line.

Now write 'f' in the first.

Now write 'v' in the second.

Now write 'x' in the third.

Now write 'q' in the fourth.

Now write 'w' in the fifth.

Now write 'z' in the sixth.

Now write 'k' in the seventh.

(have the picture or drawing on the blackboard so that the learners can see the letters.)

Now correct. The teacher will write the answer on the blackboard.

2. Students to communicate independently between themselves. The teacher to pair students (with those sitting next to each other) and move round the class and supervise. Let one make requests or give directions and the other respond. Change roles. Instructions may be given in the mother tongue. Tell them to use two or three verbs at a time. Since this is the first time they are speaking, the students will be slow in speaking. Help them for the first few days.

Verbs : Stand up, sit down, touch, feel, hold, bend, down, draw, write, open, shut etc. (Verb + Object, or just Verb + Particle)

Note : Before students are asked to communicate independently between themselves, a student could be asked to face the class and give directions or make requests to another student or group as the teacher has been doing for the first few days. Of course, the teacher will have to prompt the student from time to time.

Homework : Students to be asked to cut out the letters (both big and small) of the alphabet at the end of their textbook and bring them, in two separate paper or plastic bags, to class the next day. Ask them to mount these letters on thick paper or cardboard

Introductory Lesson — 6

AIM : Performing simple actions — responding to directions given by the teacher.

Language : Verbs, Prepositions, Articles, Ordinals (numbers), adverbials, letters done so far.

PRESENTATION :

The teacher to present the letters of the alphabet in the normal order. This should be done with the co-operation of the students.

First Row :

Second Row :

Third Row :

Fourth Row :

(Note : The numbers are to be inserted by the students. Only alternate letters are to be put within the circles — as above.)

Procedure

1. Look at these circles.

Student — 1 Come here, Ramu. Put numbers on the circles. Write 1 on the first circle. Write 2 on the second circle. (See that the numbers are in contact with the circumference, otherwise it will indicate 'above' and not 'on'.) Now write 'b' in the second circle.
Thank you. Go back to your seat.

(The teacher need not bother very much about handwriting at this stage. This will be dealt with in the textbook. The focus is on comprehension.)

Student — 2 Come here, Shanta. Write 3 and 4 on the third and fourth circles. Now write the next letter in the fourth circle. Good. Thank you. Go back to your seat.

(The teacher to call up students and get the alphabet completed. Note that in/on/
the and the ordinals are also being learnt through repetition.)

2. Ask students to read (individually).

Read from <u>a</u> to <u>g</u>	}	(Could be sung.)
Read from <u>h</u> to <u>p</u>		
Read from <u>l</u> to <u>t</u>		
Read from <u>u</u> to <u>w</u>		
Read from <u>x</u> to <u>z</u>		

3. Read the letter before e
Read the letter after e
Read the letter above m
Read the letter below m

Repeat with other letters.

4. Read all the letters (ask a few students, especially the weaker one)

Application

TASK : (The teacher to see if the students are responding to his/her directions.)

Procedure

1. Take out the small letters (they were asked to cut them out the day before and bring them to the class.)
2. Put them on your desk.
3. Now show me — d, b, p, q, c, e, etc.
(Students to raise the letters and show the teacher.)

or

The teacher may require the student to arrange the letters on their desks in the order (s)he says. When all have been given, the teacher may go round and check the arrangement.

Example : Find 'd'. Put it on your desk. Now find 'b'. Put it next to 'd'. Put it on the right. Find 'p'. Put it next to 'b', and so on

Note : The teacher to ask the students to keep these letters carefully in a plastic or paper bag and bring them to the class the next day.

Introductory Lesson — 7

- AIM : (i) To acquaint the students with the capital letters of the alphabet. To inform them in the mother tongue that English has two sets of letters and that the big letters are used in special positions. e.g. the first letter of a name or sentence : Come here. Robi Roy.
- (ii) Give directions as before.

- PRESENTATION : (i) Write the letters on the blackboard in alphabetical order — A B C D E F (with six in a line)
- (ii) Ask students to point to letters you say.
e.g. Show me D.
Show me A.
Show me B.
- (iii) Ask them to read the letters pointed.
e.g. Read this P.
Read the third letter in the first line.
Read the first letter in the second line.
(Note that they have learnt the ordinals in Lesson 6.)
- (iv) Ask individual students to come up to the blackboard. Let them ask other students to show or read the letters not done by you. Tell them to deal with all the letters quickly and give everyone a chance to speak.

APPLICATION : The students have brought the cut out letters **A** **B** **a** **b**
Give directions to use them.

- (i) Take out your letter bags — The capital letters and the small letters.
- (ii) Put the letter bags on your desk.
- (iii) Take out the letters from the bags. Put them on your desk.
- (iv) Pair the big and the small letters like this — Aa Bb.
- (v) Arrange them on your desk.

The teacher to go round and check the work of the students. (S)he also asks the students to (i) Put the letters in the bags again, and (ii) Bring them again the next day.

Introductory Lesson — 8

AIM : Students to give directions — the verbs done so far to be used. To direct individuals or groups.

Note : Production of speech will not be an easy task. The teacher must have observed this in Lessons 4, 5 and 7. Students must be prompted and helped. The mother tongue may be used at times to guide them. The start may be slow but the teacher must make them work faster gradually. Tell the students what they are expected to do.

PRESENTATION : To call up students to give directions.

Example : Student 1 — Samar, come here, please. Take a piece of chalk. Write a big D. Thank you. Go back to your seat, please. (Repeat)

Student 2 — Come here, Anita. Walk down the first row. Come back. Now walk down the second row etc.

Student 3 — Group I, stand up, please. Stand straight. Bend down. Touch your knees stand up. Sit down.

Student 4 — Group II, take out your exercise book, please. Open the exercise book. Write a/b/c/d/e/. Shut your exercise book. Sit straight. Put down your pen.
(Repeat all)

Application : Request as many students as possible to give one or two directions. Points could be given (and shown on the blackboard or on a score-sheet) to groups. The directions may be given to individuals (points

will be given to the group he/she belongs to), groups or class. The following Verbs (already done by the teacher) may be used : stand, sit, come, go, take, write, read, open, shut, draw, look, feel, touch, clean, hold, comb, brush, bend, walk, bring etc.

Introductory Lesson — 9

AIM : Same as Lesson 5, but this lesson is to be taken outside the classroom. The lesson is to be dealt with as if it were a game. If there is no playground another lesson may be devised with other verbs.

Language : to introduce negative commands too.

Verbs : run, jump, throw, catch, hop, skip, turn, walk, round.

PRESENTATION : The teacher first commands the students to do something. (Group, class or individuals). The students stand in a ring. The teacher tells them that if an individual student fails to carry out the order given, he/she will be out and will have to stand out of the ring. Play the game (as a trial) for two or three minutes, and then start playing the game quickly. Instructions may be given in the mother tongue at the beginning. Have strings and one or two balls (small), sticks etc.

Procedure : Rina, walk to Shila, please. Don't run. } (Repeat to others.)

Individuals : Shila, run to Ruma, please. Don't walk }

Jump over this string, Arun }
Jump over this stick, Arun } (Repeat to others.)
Jump over this stool, Arun }
Jump over this line, Arun }

(Two students could hold a string, a line could be drawn someone could hold a stick etc.)

Soma, throw the ball to Anil, please } Repeat to others.
Anil, catch the ball, please }

Kumar, hop to Asim, please.
 Asim, hop to Gopa, please.
 Now hop back to your places. } Repeat to others.
 Samir, run to Nina. Timir, run to Karim. (Repeat to others)

Class : Class, hold your friends' hands. Walk round and round. Stop. Don't talk. Don't hold hands. Put your hands down. Bend down. Touch your knees. Stand up. Mark time. Left, Right. Left, Right etc. Stop. Turn to the Left (or, Right — students must be behind one another). Now run. Don't run. Stop. Jump. Don't jump. Stop. Skip. Stop. Turn right (or left). Face me (the teacher inside a circle.)

Individuals : Rina, hold Shila's hand, please (person next to her/him)
 Walk across to Ruma, pleasecome back. (Repeat)
 Arun, run Soma run after Arun. Repeat with others
 Catch him Don't run — Stop !

Students to give similar commands. The teacher to prompt and help in the initial stage. The teacher should ask as many students as possible to give commands.

Note : Small groups may be taken at a time. Other students can watch until their turn comes.

Introductory Lessons 10 & 11

AIM : Helping students to recognise words and read.

Note : This lesson may take two periods.

PRESENTATION

- (i) Word-cards could be made by the teacher and used. e.g. cat bat
 These could be shown and words read out by the teacher. Later students could be asked to read (to be done slowly in the beginning, but with speed later).

(ii) The blackboard may also be used. Words could be written and rubbed off.

- Words :
- (i) Three-letter words would be convenient for a start.
 - (ii) Pictures may be used to give meanings or meanings may also be given, if the students do not know.
 - (iii) The following words may be used.
- (Note that the students read the word as a whole)

Vowels :	man	pan	can	fan	van	bat	cat	rat	mat	dad
	men	hen	ten	pen	red	bed	set	let	peg	beg
	pot	cot	hot	dot	dog	god	hop	top	mob	fog

- Procedure :
- (i) Words having the same Vowel sound should be written on the blackboard or on flash cards or the common letters of words can be written on blackboard and the uncommon ones replaced to form new words. Keeping changing letters in row 1
 - (ii) The teacher will read the words and students will listen and observe the shapes of the words as a whole carefully.

1	2
E P M F	an

(iii) Individual students will be asked to read first in their serial order and then at random (as the teacher points). Cards may also be flashed.

(iv) Word games may be played with the letters they have.

Note : It will probably take two or three periods to go through all the vowel and diphthong sounds given above.

Students move on to the textbook after this lesson.

Lesson — 12

This lesson may take two days. The students are learning to read words and sentences that they have already heard and spoken.

ORAL WORK —

Before the students start reading the lesson and working on their own, help them to read naturally and at normal speed.

Step — 1 Write these words on the blackboard or on flash-card and let the students try to read the words. They have already heard most of the words, but have not seen the written form. Ask individual students to read — first, in the order they are written on the blackboard and then in the order you ask them.

Example : Read numbers 10

Read numbers 2

Read numbers 17

Read numbers 7 etc.

1 2 3 4 5 6 7 8 9 10 11 12 13
by, now, the, read, look, then, from, help, your, with, them, first, learn,

14 15 16 17 18 19 20 21 22 23
across, down, number, letters, words, these, teacher, yourself, puzzle, meanings

Step — 2 : Write these sentences and let them attempt to read. Help them to read as naturally as they would read a sentence in their mother tongue. Write only the first part of sentences 1, 2, 4, 5,

Step — 2 : Write these sentences and let them attempt to read, help them to read as naturally as they would read a sentence in their mother tongue. Write only the first part of sentences 1, 2, 3, 4, 5, 6, 9 and 10 in the initial stage and then add the second part later. Let them read in the order given and then ask them to read the sentences they are asked to read. This could be played as a game and points given to groups.

Example : Group — 1

Group — 2.

Student 1 — Rita, read sentence 4.

Student 2 — Mohon, read sentence 10.

Rita reads Mohon reads, etc.

Note : If the student can read, the group gets a point which is to be displayed on blackboard. After a while groups change role. Group 2 direct and Group 1 carries out direction.

Sentence to read

1. Read the letters/down the rows — 4, 5, 6.
2. Read the big letters/across the rows — 7, 8, 9.
3. Match these letters.
4. Read these words/by yourself.
5. Read these words/ with your teacher.
6. Write these letters/ in your exercise book.
7. Write these words/from the puzzle.
8. Learn the meanings.
9. Look at number 1 first.
10. Put the number/on top.
11. Your teacher will help you.

Note : Give meanings where necessary.

TEXT

Step — 1 Pair Work — Pair students and let them do in pairs the task in 1, 2, 3, and 4. Start with a pair and demonstrate to them how they are expected to work.

Example : Student — 1 reads instruction 1
Read the letters across the rows — 1, 2, 3.
Student — 2 — carries out instruction.
Reads — g, d, b, a, y, o — and so on.

- Note :** (i) Tell them to change roles after every task and also instruct them not to point and read. It will slow down their reading.
- (ii) Instruction may be given in the vernacular in the initial stages. (regarding 'pair work' and other activities)
- (iii) Move round and check if they are doing the work but not to interfere too much. Help may be given to slow learners.

Step — 2 A few students may be called upon by the teacher to read aloud the words in the puzzle according to the instruction given (Task 5)

Step — 3 Task 6 — Work out with the co-operation of the class. Meanings may be given in the mother tongue.

Step — 4 Handwriting may be done at home — insist on neat work. Work of a few students with good handwriting may be displayed in class everyday.

Pronunciation Notes

1. Teachers to consult the following dictionary for pronunciation and stress the Advanced Learners' Dictionary of Current English published by Oxford University Press.
2. The underlined sounds are problem sounds for many learners of English. across, letters, first, words, puzzle. (We do not have the 'Z' sound in our languages) good (the 'oo' sound here is a short sound and not a long one as in fool)

Lesson — 13

Reading

Students should be able to read instruction 1—5. Ask individual students to read out the instructions in 1, 2, 3, 4 and 5 to class. Help them to read in meaningful groups of words at a time (as they do in their mother tongue.) They must not point and read.

Example : Your teacher will help you/if necessary.

Note : 'necessary' is a new word and they may not be able to read it.

Read instruction 6 and then make one or two students read.

Comprehension

Ask what the instructions mean. Give meanings if necessary (especially 4 and 6)

Pair Work

Students to work in pairs (as was done in previous lesson) and teacher to supervise.

Handwriting

Homework to be checked quickly with the help of students. Items 7, 8 may be done at home.

Lesson — 14

Procedure — the same as in lessons 12 and 13.

Note : The nouns given in item 2 have the article a before them except for ant and India. Tell them to notice what happens with other nouns later.

Lesson — 15

Pair Work

Item 1 to be done very quickly by students themselves — reading the instruction by one and carrying out the instruction by another.

Item 2 to help students to read the instruction to class.
Write out these sets of letters in proper order.

- (a) ask a few students to carry out the instruction on blackboard.
- (b) should be done by every student independently in pencil. Remind them to erase after they have checked with the correct answer put on the blackboard (by a student)

Item 3(i) students may give instruction and ask another to read the words.

Example : Group 1 Group 2

Student 1 — Read the words in line 1 Student 1 — Reads

Student 2 — Read the words in line 2 Student 2 — Reads

Go on in this way and then change roles. Group 2 can give instructions and Group 1 can read. Give points on blackboard. Do this quickly.

- (ii) may be done like Item 3(i) change roles.

Group 1**Group 2**

Student 1 — Give the meaning of 'queen'

Student — Rani.

Item 6

4, 5 and 6 — to be done for homework.

Lesson — 16

ORAL WORK (before opening the text book) — 10 minutes

- Step — 1
- (i) Teacher to say the rhyme with proper stress two or three times 'one' 'two' Put on your shoe.
 - (ii) Learners to listen
 - (iii) To ask questions
 - (a) Pick out the rhyming words. (Make a list on the blackboard)
 - (b) What are the vowel sounds in the these rhyming words (in vernacular) ?

Example :	two/shoe	= o o (as in 'fool')
	four/door	= a w (as in 'law')
	six/sticks	= i (very short sound)
	eight/straight	= e i (diphthong)
	ten/hen	= e (very short)

Note : The students are not likely to pronounce any of these sounds correctly except for the first one. Help them to pronounce, but do not spend a lot of time.

- (c) How many words are stressed in each line ? or
How many beats are these in each line ? (in vernacular)

TEXT 30 minutes

- Step — 2
- (i) Ask a student to read aloud instruction 1
(Pick out someone who will be able to do it)
 - (ii) Ask another student to read the rhyme
- Step — 3
- (i) Ask them to give (in brief) the meaning of the rhyme
 - (ii) Ask them if there are such rhymes in their language. Tell them that such rhymes are called 'Nursery Rhymes'. They are good for fluency drill but don't have much meaning
(In Vernacular and to be done very quickly — in 2 or 3 minutes)

Individual Work

Step — 4 Make students work out items 2, 3, 4 and 5 individually. Before they start working, ask 4 students to read the instruction given and give meaning only if necessary. They may not know the word 'complete'.

Note : Teacher to move round to check if they are working and help them only when they ask for help.

Step — 5 Correct work with the co-operation of the class.

Lesson — 17

Reading

Note that the learners have heard these sentences but have not seen them in print (both the instructions and the reading material).

Item 1

- (i) A student or two to read aloud the instruction.
- (ii) A student or two to read aloud the Unit.
- (iii) Pair students and let them read to each other.

Item 2

- (i) A student or two to read aloud the instruction.
- (ii) Students to try to give its meaning in mother tongue.
- (iii) Students to match all the directions and pictures individually.
- (iv) Correct with the co-operation of the students when they finish.

Individual Work

Item 3

Pair Work

- (i) A student or two to read instruction clearly and give meaning
- (ii) Then they are to work in pairs.

Example : (a) Student 1 says —

Read the fourth sentence

Student 2
reads

(b) Student 3 says — Read the
eighth sentence

Student 4
reads

Go on this way and then change roles.

Item 4

Teacher asks students to say the plural forms and draws their attention to the final sounds.

Example :	/z/	/s/	/iz/
	girls	ants	noses
	boys	kites	fishes
	toes		
	etc.		

Item 5

To write out individually. (may be done at home) Ask them what they notice about the spellings in the plural forms. Draw their attention to the 'es'/'s' being added if they don't see it.

Lesson — 18

The new words in this lesson are —

North, South, East, West, opposite, another, crossing and perhaps road

Write these words on the blackboard and let the students read them. Ask them the meanings. If they cannot give any of them tell them.

Individual Work

Items 1—4 (i) Let the students work on their own items 1, 2, 3 and 4. They will not need any help. If anyone does need some assistance, help him/her.

Note : Ask them to write in pencil.

Item 5 (i) Students to make a list on the blackboard
(ii) Teacher to help if necessary.

Lesson — 19

Items 1—4 Students ought to be able to do items 1—4 on their own. Let them work individually. Help them only when they ask for help. They may ask for the meaning of a word or two.

Note : Remind them that they must use a pencil when they write in the textbook

Item 5 Pair Work.

Let students sit in pairs. Ask a student to read the instruction. Ask them what they are expected to do. Explain in mother tongue, if necessary. Let them work in pairs according to the instruction. Do not help unless they ask you to. Ask them to change roles. Every student will have a drawing in his exercise book. Let them check their drawings by themselves. Draw the picture on the blackboard with the cooperation of a few students. Tell them to correct.

Note : Ask them to bring their colour pencils the next day.

Lesson — 20

ORAL WORK

Item 1 (i) Let a student read the instruction and check if they have understood it. Go on asking students to follow the lines and name the colours. Do it in the way given in the example.

(ii) Do this orally. Ask meanings of words like clouds, blood, bananas etc. before you ask the students to answer the questions.

Item 2 Let the students work on their own. All the students may not have colour pencils of their own. Let them share.

Item 3 (i) Read the instruction and the rhyme

(ii) Each student may be asked to read a line of the rhyme.

(iii) Meanings of words like grass, sails, breeze etc. to be asked and given if necessary.

(iv) Draw the attention of the learners to the instruction again and see that they are carrying out the instruction. Move round to check work.

Note : Draw the attention of the learners to the word order in the lines of the rhyme. It's not normal prose order.

Example : Blue is the sky = The sky is blue.

- Item 4, 5** Students to read the instructions and work on their own. Meanings of words like label uniforms, clothes, centre may have to be given. Move round to check their work (these items may be done at home and checked in class the next day).

Lesson — 21

PREPARATION: ORAL WORK

- Step — 1** Teacher to ask these questions using gestures (or by giving meanings from time to time).

Example : Q. Who is tall in this class ?

A. X is tall/X and Y are tall.

- (i) Is Z tall or short ? (ii) Who is very short (iii) Is A fat ?
- (iv) Who is thin ? (v) Is B's hair straight ? (vi) Who has straight hair ?
- (vii) Is your mother's hair long ? (viii) Who has curly hair ? (ix) Is C's nose short ? (x) Who has a long nose ? (xi) Is your brother big ?
- (xii) Who has a small brother ? (xiv) Is D wearing shoes/slippers ? (xv) Is your mother young ? (xvi) Is your grandfather old ? (xvii) Is E beautiful/ handsome ? (xviii) Who has a long pencil ?

- Note :** (a) These are suggestions. The teacher may refer to other things, but she/he should only use these two question forms, (b) A. B. C etc. should be replaced by names of students.

- Step — 2** To deal with the text

- (i) Read instruction and words in 1 and check meanings with students
- (ii) A student or two to read aloud instruction in 2 and the example given.
- (iii) Students to be called upon to describe the other people (6). Let them study the pictures carefully.

- (iv) Pair Work

Students to give each other descriptions (as in (iii)). Teacher to move round and check if they are doing it all right. Minor mistakes may be ignored. Students should be allowed to communicate freely.

Item 3

To be done for homework

Item 4

Pair Work

Let them follow the instruction and name the animals to each other, but before students start working, let them repeat the names after the teacher.

Note : 'Crocodile' and 'elephant' are often stressed and pronounced wrongly. Check pronunciation in The Advanced Learner's Dictionary of Current English.

- Item 5** (i) (a) A student or two to read instruction and words
(b) Teacher to give meanings where necessary
(ii) Individual Work — students to work on their own. Teacher to move round and to help with meanings of words where necessary.

Note : Draw their attention to the use of and. Give its vernacular meaning.

Answers : (a) given (b) small; busy (c) is a tall; long; spots (d) elephant; large; trunk; tusks; strong; short (e) stripes; fierce; claws (f) tall animal; thin; long (g) fierce, sharp

Lesson — 22

- Item 1** (a) Reading — to be read by two or three students. Help them to read in meaningful groups of words naturally. Students should not point and read. Check if they have understood what has been read.

- (b) and (c) Individual Work and Pair Work

Students to fill in the gaps and read the paragraphs to their partners.

Correction of the above to be done with the co-operation of the students. Two students who have filled in correctly to read the paragraphs to the class and the rest to correct.

Teacher to help.

Answers : In blanks : (b) a table/the first picture/legs/second picture/ is a boy/ has legs/third picture, there is a/it legs/Yes, it has legs/

(c) Kite/The Kite has/is a dog in/eighth/also has/tail/ninth picture, there is a rabbit/it a tail/Yes, it has a/

- Item 2** (a) Reading and Comprehension as done in Item 1 (a) Teacher to draw the attention of the students to the meanings of the following :

also, but, different and the use of it.

- (b) Individual Work — teacher to go round and check and give meaning of live and hole if necessary.

- Item 3** (i) A student or two to read aloud instruction. Teacher to check if they have comprehended the instruction.
- (ii) Pair Work — students to describe to each other
- (iii) A few may be called up to describe to class.
- Item 4** (a) To revise for homework. Draw their attention to the subject-verb agreement — where changes take place.
- (b) To be done for homework and corrected the next day.

Lesson — 23

Correction Correction of homework with the co-operation of students — to be done quickly.

- Item 1** (i) Reading aloud by two students.
- (ii) To check if the students have understood what they have read. Give meanings where necessary
- (iii) To label the insects. Move round and check.
(Note that the fly in Item 2 should also be labelled later)

- Item 2** (i) A student or two to read instruction aloud first. Check if they have understood.
- (ii) Let them label. Move round and check.

Item 3 Individual Work
Students to read instruction and label the parts of the human body. Meanings should not be given. They can count the letters and squares and fill in. There are other hints.

Item 4 Pair work.

- Item 5** (a) Reading aloud by students and checking comprehension.
- (b) Individual Work — give vernacular equivalent of still & stagnant.
Move round and check.

- Item 6** (i) Teacher to read and explain
- (ii) Pair Work — a model to be attempted by a student before class before students start working in pairs.
- (iii) Written Work — to be done at home.

Lesson — 24

- Item 1 (a) Teacher to read the names of the shapes and students to say after him.
(b) One or two students to read instruction and teacher to check if students have understood the instruction.
(c) Individual Work — teacher to move round and check.

Item 2 ORAL WORK with teacher.

Ask the questions and let the students respond. Help them to use the adjective form rectangular.

- Item 3 (i) Read aloud instruction to class, Give them the meanings of new words — pattern, together, cloth, geometrical, different, still, middle etc.
(ii) Let the students read the paragraph silently again.
(iii) Individual work.

Let them fill in the gaps and read the paragraph aloud to class.

- (iv) Let the others correct.

Item 4 (i) Teacher to read question. Students to interpret. Teacher to help with the meanings of the following words — pitch, base, stadium, coin, ground etc.

- (ii) The students to write the answers — Individual Work.
(iii) Correction of work with the co-operation of the students.
(iv) Homework given in last lesson to be collected for correction.

Lesson — 25

- Item 1 (i) (a) Individual Work — putting names in the blank figures.
(b) Reading the names of the figures aloud to class.

- (ii) To be read by two or three students. Check comprehension and ask a few students to interpret in the vernacular.

Item 2 (i) Individual Work. Teacher to move round and see if they have any difficulty.
(ii) Correction with the co-operation of students — a few students may be asked to read out their descriptions first and then teacher could write on the blackboard. Students may correct on their own.

- Items 3—4 (i) Read aloud instruction and check if the students have understood.
(ii) Individual Work. Teacher to help where necessary.

Lesson — 26

- Item — 1 (i) To be read aloud by teacher. Students to listen. No explanation should be given. Students may be given the meanings of a few words that they may not know — e.g. direction, village, inside, market, pond etc.
(ii) Individual Work — Student's to read silently again and carry out directions given and show their drawings to the teacher. This is what they should have drawn. Give them marks.
Mark them on 6. Move round and check.

Item 2 ORAL WORK

Read the instructions and the words. Students to listen. Teacher to ask if they have understood the instructions and to explain only if necessary. They must look at the plan and give six directions as in Item 1. This is how they should do it. The order of presentation may be different.

Example :

- (i) Draw a market in the middle of the village (or town)
- (ii) Draw a square to the east of the market. Write 'Bank' inside the square.
- (iii) Draw a circle to the north of the bank. Write 'Well' inside it.
- (iv) Draw a rectangle to the south of the market. Write 'School' on the left and 'Garden' on the right.
- (v) Draw a pond to the west of the school.
- (vi) Draw a rectangle to the north-west of the market. Write 'Railway Station' inside it.

Item 3 Pair Work

- (i) Students to read instruction silently and work in pairs. Check if they have understood the instruction. They must give only two directions (as in example 1). Of course, they may change this 1st direction too. Example — Draw a circle to the south of the school. Write 'Park' inside the circle.
- (ii) Each student will give directions for three plans to her/his partner. Teacher to move round and check.
- (iii) Individual Work — now they must write out all the directions for the six plans. May be done for homework.

Item 4 To say with teacher. The vowel sounds in circle and bird will be difficult for Bengali learners. There are no central vowels in Bengali.

Item 5 Give them an idea of the spatial meaning. Teacher to give a few examples.

Item 6 For homework.

Lesson — 27

Correction Homework to be corrected with the co-operation of the students. Teacher may put up correct answers on blackboard and students can correct by themselves.

Items 1 & 2 To be done orally with class first. The written work can be done at home and corrected the next day with the co-operation of the students.

Answers : 2(i) the road; east of the (ii) Name the road running; of the park.

Item 3 Individual Work

- (i) Students to read the instruction and directions silently and work on their own. The following words may have to be explained though they have heard them.
up to turn crossing. Move round and check. •

(ii) & (iii) Students to work individually — teacher to move round and check. Some of the clever students who have carried out the directions correctly may help the teacher to check. Of course, the teacher must see that this is done quietly and in a friendly manner.

Item 4 (i) Two students may be called up to play the role of a visitor and a

Example X — Excuse me, please tell me the way to the bank.
Y — Walk south down Park Street. Don't cross School Road. Stop at the corner. The bank will be on your right.

(ii), (iii), (iv) Three more pairs can play these roles.

Note that production will not always be easy but the students must make an effort and they must be encouraged.

Item 5 Pair Work — Students to work in pairs as in (I). Teacher to move round and check.

Lesson — 28

(b) Complete these words by putting in the letters :
 ea oa or ou oo ar ll

m__ning	c__king	ye__ow
w__k	t__cher	b__rd
pl__se	m__ket	h__se

Read this passage and answer the questions that follow :

Who is the ship of the desert ? It is the camel. A camel finds it easy to live in a desert. People use camels for travelling across desert lands. Travel in such deserts is not easy. There is very little water and it is not easy to walk on the loose sand. Sometimes there are sand storms. Desert plants are small, bitter and thorny. A camel stores water in its stomach and food in its humps. The stored food is nothing but fat. A camel has strong teeth and its lips have tough skin on them. Its feet have thick pads and its hair protects it from the heat and cold. It also has long eye lashes to keep the sun and sand out. It can close its eyes during a sand storm.

(Meanings of words the students have not come across can be given in the vernacular)

Answer these questions.

- (i) Is this passage about a camel or a desert ?
- (ii) Name three deserts of the world ?
- (iii) Make a list of the things a camel has (Adjective + Noun).
- (iv) Is the camel's hump useful ? How ?
- (v) Find words in the passage that mean
not sweet strong not difficult keeps safe
- (vi) Which part of the camel's body stores water ?
- (vii) Find plural forms of foot, tooth, eye, eyelash, food, water, sand, child, leaf
(Some of these do not normally have plural forms. Say so)

TEST (ORAL)

Various kinds of oral tests may be set based on all that the students have done so far. Here are a few suggestions.

Sound recognition and production

- (i) Reading these pairs of words which have different vowel sounds

star — stir	full — fool	sit — seat
hard — heard	pull — pool	bit — beat
card — curd	cut — cart	hit — heat
bard — bird	hut — heart	did — deed

- (ii) Words which have different consonant sounds

see — she	Jew — Zoo
-----------	-----------

see — she	Jew — zoo
same — shame	Jar — Czar
sign — shine	Joan — zone

Listening comprehension

Dictation of unseen passage. The passage should be within the experience of the students. Language should be checked — only words and structures known to the learners should be there.

Other suggestions given in the written section may also be done separately as part of oral testing.

Reading and Comprehension

Unseen passage with above considerations.

- (i) marks on reading — considering clearness, pronouncation and intonation.
- (ii) marks on comprehension — a few questions could be asked.

Conversation

Example

Simple conversation on the types they have done so far

- (i) What is your favourite subject ?
- (ii) Do you like your English textbook ?
- (iii) Name one or two lessons you like very much ?
- (iv) What time do you come to school ?
- (v) How do you come ?

Reading Maps — similar to the types they have done.

carrying out directions — similar to the types they have done.

These are a few samples of written and oral test. The teacher may devise other types.

| (iv) <u>Size and Shape</u>
The sides are triangular in shape.
Mr. Khan is not very tall.
Our class is big. | (viii) <u>Age</u>
My brother is ten.
I am eleven. |

Draw the attention of the students to the change of verb forms with pronouns in the pronoun section. The present form of be tells us about the present and all-time truths.

(b) We use simple forms of verbs to command or to make a request. Example (1) & (2).

(c) With other verbs English uses two forms in the simple present

(i) the simple form

They go to school.

They do not go to school

I go to office.

She does not go to office.

Bengalees like fish.

Gujratees do not like fish.

(ii) the S forms. It is used after a singular noun, or after one of the pronouns he, she or it. It is not used with I.

He/She goes to school at 10 o'clock

Mary likes chocolate.

Mother knows Mrs. Sen.

Here the spelling rules. They are like those in nouns.

Rules	Examples	
(1) Most verbs add only - <u>S</u>	give say dig	gives says digs
(2) When the verb ends in <u>O</u> or in <u>S</u> , <u>Sh</u> , <u>Ch</u> , <u>X</u> or <u>Z</u> <u>es</u> is added to the simple form.	do go miss catch bus	does goes misses catches buses
(3) (1) When the verb ends in <u>y</u> and there is a consonent before it, the <u>y</u> is changed to <u>i</u> and <u>es</u> is added.	study hurry carry	studies hurries carries
(2) <u>Be</u> and <u>have</u> are irregular	be have	is has

(d) Let them study the use of have in the present tense form with pronouns.

Person	Singular	Verb	Plural
1	I	have	We
2	You		You
3	He She It	has	They

Qs. — Ans. (Short Forms)

Have you/I a book ? Yes, you/I have
has she/he a book ? No, you/I haven't
Yes, he/she has
No, he/she hasn't

Have shows possession here.

(e) Let them study. The use of the verb do (5 and 6) in the present tense form with pronouns.

Person	Singular	Verb	Plural
1	I		We
2	You	do	you
3	he she it	does	They

I do my work.

I do not (don't) do my work.

Do I do my work ?

Yes, I do

No, I don't

She does her work.

She does not

(doesn't) do her work.

Does she do her work ?

Yes, she does.

No, she doesn't.

TENSES

1. They will have learned two present forms by the end of the year (in imperatives and statements)

(i) Simple Present : He is here. Come in and sit down.

They go to school at 10 o'clock.

He comes home at 5 o'clock.

He has two sisters.

She does her work in the evening. Please help her.

(ii) Present Progressive : ing forms.

Seen activity : Look, he is kicking the ball towards the goal.

Unseen activity : It's 12 o'clock. I think mother is still cooking.

— ing forms. Nearly all English verbs have — ing forms. Give them some of the spelling rules. They will learn more later. Some words do not follow rules.

Rules	Example	
(a) A verb ending in a single <u>e</u> , drops the <u>e</u> before adding <u>ing</u> .	have write give	'having 'writing 'giving
(b) when a one syllable verb ends in a single consonant (except h, w, x & y) with a vowel before it, the consonant is doubled before adding — <u>ing</u> But if the final consonant has two vowels before it, then it is not doubled	sit run bat cook wear look	'sitting 'running 'batting 'cooking 'wearing 'looking
(c) When a verb has more than one syllable and ends in a single consonant with a vowel before it, the final consonant is doubled when the last syllable is stressed.	refer admit forget	referring admitting forgetting
But if the last syllable is not stressed then the final consonant is not doubled. It is doubled in the case of <u>L</u> only. Note the word <u>parallel</u> does not follow the rule. And if there are two vowels before <u>L</u> , then the consonant is not doubled — <u>feel</u> — <u>feeling</u> .	'listen 'remember 'visit 'travel 'quarrel	'listening 'remembering 'visiting 'travelling 'quarelling
(d) When the simple form of a verb ends in <u>ie</u> , the <u>e</u> is dropped and the <u>i</u> is changed to <u>y</u> before adding <u>ing</u>	die tie lie	dying tying lying
(e) With most other verbs, — <u>ing</u> is added to the simple forms.	stand try do see	standing trying doing seeing

2. They will also learn to speak about the future a little (10) and the past.
 I'm eleven now. I'll (I shall) be twelve in December. I was ten last year.
 He'll (He will) not finish his work at 9 o'clock.
 It'll (It will) not be hot in April. It was cold in February.
 They'll (They will) clean my room in the morning. It was dirty yesterday.

NOUNS AND ARTICLES

Articles are one of the major areas of difficulty for our students. Help them to use articles in their spoken and written English.

A and An

We use a or an before certain nouns.

- (i) a is used before a word beginning with a consonant, or a vowel letter that sounds like a consonant.

a flower a bird a duck a mango a university a year a European a well a useful book (Lesson 3)

Note that E in 'European' and U in 'useful' and 'university' are pronounced like the consonant Y

- (ii) an is used before words beginning with vowel sounds and before words beginning with a silent H :

an axe an actor an elephant an hour an honour an M.A.

Note that h is not pronounced in the words 'hour' and 'honour'

Students may look at other examples of the use of a/an in Lesson 14, 15, 16 and other lessons.

- (iii) a or an is used

- (a) before a singular countable noun (Lesson 19) mentioned for the first time. It does not refer to any particular person or thing.

Write a letter to mother. Put the letter in an envelope..

- (b) before a singular countable noun that refers to a class of things.

A crane is a bird. A bird has wings

- Note (i) that a does not refer to a particular bird. It refers to a class.
(ii) that a countable noun is used with the indefinite article or with many, numbers and the plural form.

It is wrong to say — Bird has wings (X) or Crane's bird (X)

- (c) before certain number words

a dozen / a hundred / a lot of / a great many of / a few.

- (d) before showing price, speed etc.

Fish costs Rs. 20.00 a kilo.

He drives at 50 miles an hour.

I meet him three times a day.

Normally we do not use the indefinite article.

- (a) before names of places and people
- (b) before plural nouns. The plural of 'a cat' is 'cats'
- (c) before names of meals.
I have breakfast at 8 o'clock. They have lunch at 1 o'clock.
- (d) before the uncountable nouns (refer to lesson 29)
She has black hair. I have some work tonight.

Note that we can use the indefinite article with some uncountable nouns in a special way.

- (i) With nouns like chalk, paper, wood, furniture, string, etc. We can say:
a piece / bit / of chalk
a piece / bit / sheet / of paper
a piece / bit / of wood
a piece / of / furniture.
- (ii) We can also say these in the plural, but, we do not add 's' to 'chalk' or 'paper'.
We say —
two pieces of chalk
three sheets of paper
bits of paper
- (iii) Before uncountable nouns we use the following plurases and words — a lot of, a little, some, much, plenty of, a piece of, any etc., but not just a or an.

There	is	a lot of	sugar.	Is there	any	milk ?
	isn't	much	rice.		much	water ?
		plenty of	wheat.		some	coffee ?
		some	milk.		plenty of	bread ?
		a little	bread.		a little	ink ?
		not-much	petrol.			work ?
		any much	paper.	How much	work	is there ?
			work.		money	
			smoke.		cloth tea	
			dirt.		coffee rice	
					paper	

THE

They have also learnt to use the definite article the.

The is normally used

- (i) before both singular and plural nouns that refer to particular persons or things. It is used before all kinds of nouns, too.

Thank you very much. The mango is good.

Thank you very much. The mangoes are good.

The teacher is in the class.

Please throw the ball to Mohan.

The water of this well is good.

- (ii) before nouns of which there is only one (lesson 4 + 5 (preparatory lessons))

The sun is shining in the sky.

Clean the floor, please.

Look at the ceiling/blackboard.

- (iii) before nouns mentioned the second time.

That's a sparrow. The sparrow is chirping happily.

That's a crow. The crow is eating something

- (iv) before singular nouns that refer to a class of things.

(refer to indefinite article (iii) (b))

The crane has long legs (all cranes)

The frog has no tail. (all frogs)

Note that you can use a in place of the in the above sentences. The meaning will not change.

- (v) before names of rivers, mountains, deserts, seas, oceans etc.

The Ganges flows down from the Himalayas.

The Bay of Bengal lies to the south of West Bengal.

The Indian Ocean lies to the south of India.

The Sahara is in Africa.

- (vi) before words like office, cinema, theatre etc.

My father is at the office now.

Let's go to the cinema/theatre tonight.

- (vii) before first, second, third, last etc.

The second Saturday is a holiday.

Who is the second boy ?

The definite article is not normally used

- (i) before names of people, continents, countries, and towns.
(they will learn to use it in special cases later on)
Calcutta is a big city.
Rabindranath Tagore is a great poet.
India is in Asia.

Note (a) We can say — The Boses will come back from Puri today
(Here Boses = Mr. & Mrs. Bose and family)

- (b) We also say — The U.S.A. (the United States of America = America)
the U.S.S.R. (the Union of Soviet Socialist Republics) = Russia.

- (ii) before plural nouns.

We say — 'Women like to do house work' and not The women like to housework'

The second sentence is not wrong, but has a different meaning 'Women' in the first sentence refers to 'women' in general and 'women in the second sentence refers to a particular group.

- (iv) before nouns like home, church, market, school, hospital, court, prison, work, sea, bed, etc.

Children go to school
They walk home from school.
He goes to bed at 10 o'clock.
Mr. Brown goes to church every Sunday.

But sometimes we go to these places for some other reason. Then we use the article.

My father will go to the school to see the headmaster.
His brother is in hospital. He is going to the hospital today to see his brother.

NOUNS

With articles students will learn about nouns. They should know about countable nouns, uncountable nouns and proper or capital-letter nouns Proper nouns

Countable nouns dog, cat, table, chair

Uncountable nouns water, milk, tea, sugar

Proper nouns Rashid, Tom, Calcutta, Madras

Guide them to use the plural and possessive forms correctly

PRONOUNS

1. Subject pronouns used with the verb be :

Person	Singular	Verb	Plural	Person	Singular	Plural
1	I	→ am	we	1	I'm	we're
2	You	→ are	← you	2	← you're →	
3	he she it	→ is	they	3	he's she's it's	they're

Agreement

Student should note the change of verb forms of with pronouns in the first person, second person and third person. Draw their attention to the contracted forms.

2. Possessive pronouns or pronominal adjectives

Person	Singular	Plural
1	my	our
2	← your →	
3	his her its	their

Draw their attention to the use of these possessive forms are used before nouns. In some books they are labelled as possessive adjectives.

That is his book.

She is our teacher.

An elephant has a long trunk.

Its trunk is very useful.

3. Object pronouns.

Person	Singular	Plural
1	me	us
2	← you →	
3	him her it	them

Practise the use of these pronouns after verbs or prepositions.

Give her the books.
me
him
them

Catch the ball and throw it to Ahmed.

Take us to the cinema.

4. Show that this, that, these, those, any, some are pronouns as well as adjectives.

That is a book (pronoun)

That book is red (adjective)

Have you any sugar ? (adjective)

I don't want any of those (Pronoun)

5. Also show that in questions what and which may be pronouns or adjectives.

Who is a pronoun Who took my book ? (pronoun/singular) What is that ?
(pronoun/singular) Who are those man ? (pronoun/plural) What are those ?
(pronoun/plural) Which of them is Mr. Roy ? (pronoun) Which book is it ?
(adjective).

What book is that ?

What books are those ? } (Adjective)

Note : it is not necessary to dwell on 4 and 5.

ADJECTIVES

In lessons 20, 21, 22, 23, 24, 25, 42, 48 etc. the students learn to use adjectives to describe people, colours, shapes, nature, habit, weather and various other things. So they learn to use

- (i) Adjectives of quality.
- (ii) Adjectives of quantity.
- (iii) Demonstrative adjectives.
- (iv) Possessive adjectives (or pronouns)

They learn to use them before nouns as well as after the verb be (after adjectives of quality).

It is not necessary to give the learners the names of the types of adjectives at this stage.

ADVERBS

Adverbs of time, place and quantity are introduced in various lessons. You will notice in the first unit on sentence patterns that the students are introduced to adverbs and adverbial phrases of place even in the initial lessons. In lessons 18, 19, 26, 27, 30, 38, 39, 45, 49, etc. students learn to use many adverbial phrases of time and place without knowing that they are adverbials. It is not necessary for them to know the grammatical labels. They will learn it later.

CONJUNCTION

You will notice that the learners are introduced to only three conjunctions — and, but and or. Help them to use them in joining two nouns or adjectives and in joining two sentences.

PREPOSITIONS
